

Minutes of the Isle of Man Amateur Radio

Society 77th Annual General Meeting,

Wednesday 10th December 2025

Meeting started at 19:32 at the 1st Malew Scout

Building, Mill Rd, Ballasalla. There were 13

members present.

**A minute's silence for the Manx amateurs who
became silent this year.**

*Hadyn Glaister GD0BCN and Chris Wilkinson GD8GRE, and Baz GD0SFI
and June Wrigley GD7DPG*

Apologies for absence

None

**The Minutes for the 2024 AGM were approved as
proposed by Stuart and seconded by Simon.**

Secretaries Report

Membership stood at 30, including 3 life members.
Correspondence was received from Dave GD4HOZ in June regarding
repeater insurance.

The notes indicate that insurance was arranged for all seven repeaters and that one of the committee had been handling this, with reimbursement made from Society funds.

A weekly information email and some social-media posts were issued, which generated a small number of genuine enquiries.

The notes also record contact with callers with impaired vision, with assistance given where possible and referrals made to specialist sight organisations.

Most of the online engagement continues to come via the Society's Facebook page and the iomars.im website.

The outgoing secretary noted that, since moving out of the Cottage in March, it had been difficult to give the secretary's role full and undivided attention, and therefore intended to step back from the committee.

Thanks were recorded to all members of the year's committee.

Treasurer's report.

The photographed accounts sheet records the following figures for the year ended 30 November 2025:

Item	Club	Repeater
Membership fees	£640	-
Donations	£982	-
Total income	£1,622	-
Ballasalla rent	██████████	-
RSGB membership	(£74)	-
Insurance	(£157)	(£105)
Net income/(expense)	£391	(£105)
Balance at 30 November 2024	£3,341	£663
Increase/(decrease) in 2025	£391	(£105)
Balance at 30 November 2025	£3,732	£558

Subscription rates The subscriptions are to stay the same.

Chairman's Report

Membership consultation and survey results were discussed.

There appears to be support for holding two meetings each month.

The Creg ny Baa end of monthly meetings to continue because of the social aspect.

The annual dinner at the Creg was attended by 17 members.

There appears to be a preference for meetings on the 1st and 3rd Tuesdays.

██████████ requested email notifications about meetings.

Preferred meeting formats include talks, tests, and practical sessions.

Communications are best circulated by email, Facebook, and iomars.

A single item per email works better for mailshots.

A list of club kit and equipment was identified as an action/reference item.

Constitutional change reducing the committee meeting quorum from 5 to 3. This was approved by 10 of the 11 members present hence achieved the 2/3 majority need under the constitution.

Election of new Committee

Jeanie was re-elected President.

Richard was elected Chairman unopposed, proposed by GD1MIP and seconded by Chris GD6TWF.

Rob GD0GGO was elected Secretary, proposed by Stuart and seconded by Richard.

Steve GD7DUZ was elected Treasurer.

Hetti was elected as an ordinary committee member, proposed by Richard and seconded by Stuart.

Stuart was elected as an ordinary committee member, proposed by Richard and seconded by Keith.

Special positions: the Auditor remains outside the committee, and Chris GD6TWF was recorded as being happy to continue in that role.

Appointment of internal auditor

Chris GD6TWF agreed to be the club's internal auditor.

Any other business

AOB appears to include possible talks from the RSGB [or "from RSGB"].

Simon suggested making radio more publicly available / visible, with practical publicity ideas noted.

Possible future items in the notes include code club, suggestions for

Facebook videos, and FS ads. [Constitution / masthead?]

The meeting closed a 20:43.

Robert
GD0GGO secretary.
